You have a sweet hand.
Let Toronto find it.

Your own page, where people in Toronto and the GTA find Caribbean caterers by dish, island and area.

Free to list.

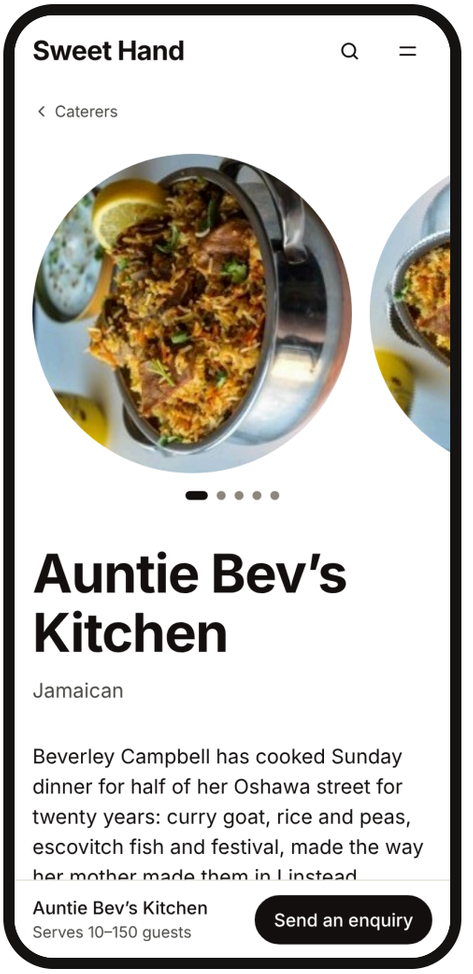

You set the menu, the batches and the days.

Your home address stays private.

FREE PHOTOSHOOT

The first 100 caterers who register get a free photoshoot: 10 of their dishes, shot in our studio. In return we ask for a complete profile and a launch-day post.

Ask your Sweet Hand contact for the shoot dates.
